Reformation Presbyterian Church sallye@refpres.org

C.A.M.P. stands for Catechism and Memory Program.

The memory work program coincides with our Sunday School curriculum, The Gospel Story. Children will practice these each week in Sunday School. If you would like to have a copy of the SWORD Memory verses you can request a copy from Sallye.

Catechism Questions are broken down for each age below as a challenge. Each RPC Family is receiving a New City Catechism. These are also available on the book table. **What is a catechism? Why is it helpful for a Christian to study a catechism?** If you were to visit a church today or any Christian organization you may see a "statement of faith" that outlines their beliefs. But in the past this document would have been longer and so biblically rich and crafted they were memorized and used for Christian growth and training. This process of memorization drives concepts deeper into the heart and naturally brings child and parent, or teacher and student into an interactive, dialogical process of learning. Please download the New City Catechism app on your phone. Select the kids version and practice with your children anywhere. There are also songs available on the app for each question. Singing is a great tool for hiding Biblical truth in childrens' hearts.
